

COMPENSATION BOARD CRITERIA FOR ALLOCATING
NEW ASSISTANT COMMONWEALTH'S ATTORNEY POSITIONS
IN COMMONWEALTH'S ATTORNEYS' OFFICES

October 24, 2000
Amended January 16, 2005
Amended May 10, 2006

These staffing standards, recommended by the Virginia Association of Commonwealth's Attorneys and approved by the Compensation Board, may not reflect all duties performed by the Commonwealth's Attorney. Positions needed for each office are based only upon the duties and workload measures identified specifically in the Staffing Standards. Many Commonwealth's Attorneys perform additional duties at their discretion or provide other services not required by state law. The number of Compensation Board funded positions due in a specific Commonwealth's Attorney's office are based upon duties required by law to be performed by the Commonwealth's Attorney, or duties which nearly all Commonwealth's Attorneys perform.

1. The position (or positions) must be requested by the Commonwealth's Attorney as part of the Compensation Board annual budget request process.
2. The basis of the request must be only the statutorily prescribed duty of the prosecution of felonies.
3. Funds and positions must be appropriated by the General Assembly.
4. The Compensation Board will use the staffing methodology and weighted three-year average workload criteria developed by the Virginia Association of Commonwealth's Attorneys (VACA), to determine the appropriate level of Compensation Board assistant Commonwealth's Attorney support for each office requesting additional positions.
5. The Compensation Board shall determine the number of additional positions to be allocated to any one office based upon criteria 1-4, inclusive, and additional positions shall be allocated in the order of percentage of need, where the offices with the highest percentage of need will receive positions first. The percentage of need is determined by calculating the percentage that the number of additional positions needed is of the total number of current positions.

STAFFING METHODOLOGY

1. The formula calculates the sum of a three-year average of felony defendants plus a three-year average of sentencing events, resulting in an average total workload figure. The workload figure is divided by a specified factor that has been devised to take into account economies of scale in larger offices, with the result being the total number of attorney positions due in the office.

2. The data elements are as follows:

3-Year Average Defendants Data is the average of the number of felony defendants in the Circuit Court for each locality for the three most recent calendar years, as reported by the Supreme Court.

3-Year Average Sentencing Events is the average of the number of felony sentencing events in the Circuit Court for each locality for the three most recent fiscal years as reported by the Virginia Sentencing Commission.

Current F.T.E. Attorney Staffing is adjusted to reflect the actual salary amounts reduced as a result of FY03 budget reductions, based upon the most recent Compensation Board salary average of an attorney position.

3. Offices are grouped based on the size of the office (determined by the average total workload figure), and assigned an escalating workload factor assuming economies of scale. Compensation Board funded assistant Commonwealth's Attorneys who are part-time (i.e., eligible to engage in private law practice) are to be considered as 0.5 of a F.T.E. position for staffing standards purposes, instead of as 1 F.T.E. position.

Office Size	Range of Workload Totals (avg defendants + avg sentencing events) per Office Size	Factor
SUPER	3,000+	125
LARGE	1,000-2,999	100
MID	300-999	85
SMALL	0-299	70

4. The formula is as follows:

$$\# \text{ of Attorneys} = \frac{\text{Workload Total (3yr avg felony defendants + 3yr avg sentencing events)}}{\text{Factor}}$$

5. Definitions

Felony defendants

- Staffing standards are based, in part, on the average number of felony defendants for the three most recent calendar years, as reported by the Supreme Court of Virginia.
- Felony defendants include:
 - A person charged and convicted of a felony;
 - A person charged with a felony but convicted of a misdemeanor;
 - A person charged with a felony who was later acquitted;
 - A person charged with a felony that was later nolle prossed;

- A person whose felony charge was initiated in general district court; and
 - A person returned to court for a Show Cause hearing if the original offense was a felony (e. g., a probation violation).
- In cases involving multiple felonies, a person is counted as a felony defendant each day that new felony charges are filed.

Sentencing events

- Staffing standards also are based, in part, on the average number of felony sentencing events for the three most recent fiscal years, as reported by the Virginia Criminal Sentencing Commission.
 - The data reflect the number of sentencing guidelines forms submitted by the Circuit Court Clerk to the Sentencing Commission for felony offenses.
 - For the purposes of sentencing guidelines, a single sentencing event would include all offenses for which the defendant is sentenced on the same day and at the same time.
 - The Sentencing Commission implemented probation violation sentencing guidelines in FY05. These are not included in the data for staffing standards.
6. Amendments: The January 16, 2005 amendments recommended by the Virginia Association of Commonwealth's Attorneys (VACA) and approved by the Compensation Board changed "... most recent calendar years..." of sentencing events to "... most recent fiscal years..." and considers the effect of FY04 budget reductions on salaries by reducing the current F.T.E. attorney positions by the FY06 un-restored salary reduction in each office based upon the average salary, as of July 1, 2005, of a Compensation Board funded assistant attorney position. The May 10, 2006 amendment added the definitions of "felony defendant" and "sentencing event".
